

Riverside Rotary Voluntary (Rrova) Membership

Who are Rotary and what do they do?

Maidstone Riverside currently have around 20 members comprised of local people from a range of backgrounds and occupations. Some are retired, many fairly recently, but others are still working. All are active Rotarians in that we all apply our time and energies to try to help make our local community and the world in general a better place for those in need of a bit of help.

As well as being a service organisation we are also a networking hub bringing together local people, businesses, schools, charities and other organisations for the public good.

Along with personal and corporate members, volunteers are invited to join with us on an occasional, no commitment basis.

Rrova volunteers

Not strictly speaking a membership option but a way for people to volunteer occasionally in Rotary events and join us in other activities. There is no cost or commitment to being a volunteer, you just let us know you're going to be there and turn up on the day. Many of our volunteers joined us during the Covid pandemic when we were busy marshalling at inoculation centres, but others have joined since and are an appreciated and valuable part of the Riverside team.

How much does it cost?

Rrova membership is completely free and there is no commitment to taking part in any particular activity. You just take part when you want to
